Splatter Smock Paint Apron

Item #92000

These brightly colored PVC Splatter Smocks provide an economical solution to craft time messes. Each Smock has a large head hole that easily slides over childrens heads. The large front flap provides mess protection from the neckline to approximately mid-thigh*, and the back features a smaller flap that helps cover the shoulders. The Splatter smock has two attached straps that wrap around the child and then secure in front with Velcro tabs to provide a secure fit.

*Length WILL vary with height of each child
